Welcome to Term 3! It was just wonderful to see all our students back with smiles on their faces, rested, and ready for a new learning journey. A big focus for all classrooms this week will be re-establishing routines and expectations.

This weekend our **Creative Generation** team will be part of a spectacular event at the Convention Centre, where 1800 state schools students perform in Queensland's award winning largest youth performing arts event, Creative Generation - State Schools Onstage. Miss Rose and the Petrie team have been practising so hard, and they are very excited about finally reaching the performance. This is always a wonderful show, and I am really looking forward to seeing it. Miss Rose deserves a very big thank you for all the work she has put into providing such a sensational opportunity for our students.

We are still taking enrolments for Prep for 2018. Children born between 1<sup>st</sup> July 2012 and 30<sup>th</sup> June 2013 will be the correct age for Prep in 2018. This term we will be conducting two open mornings, and in Term 4 we will conduct our transition program – Countdown to Prep - for students enrolled at Petrie for Prep in 2018. We would love all of our new Prep students and their families to be involved in these events. Please contact the school for further information and an interview appointment if you have a child who will be in Prep next year.
