**CENTREPAY**

Centrepay is a free voluntary bill paying service. Deductions come from your Centrelink payments and can be used to pay many types of bills, such as child care, electricity bills or rent. More information at [https://www.humanservices.gov.au/customer/services/centrelink/centrepay](https://www.humanservices.gov.au/customer/services/centrelink/centrepay)

**Controlling your deductions**

You can start, change or cancel deductions at any time, to meet your needs.

- setting a target amount so deductions automatically stop when the target amount is reached
- setting an end date so deductions automatically stop at a date in the future - you can set an end date up to 12 months in the future
- changing deduction amounts for a temporary period up to a maximum of 13 weeks from a future Centrelink payday. At the end of the temporary period, the deduction amount will automatically change back to the original amount
- choosing the order in which your bills get paid so they are paid in the order that is important to you
- changing deduction amounts permanently from a future Centrelink payment – this has helped customers with their bills if they increase
- suspending deduction amounts for up to 13 weeks, after this, your deductions restart with the original deduction amount. For example, if you have $50 per fortnight deducted to pay child care fees but choose to suspend or pause the deduction for 6 weeks when your child isn’t in care, it will then begin again after 6 weeks

Thank you for your assistance.
