Dear Parents / Caregivers

We have booked a fantastic pet program to come into the school and work with the Prep students on Tuesday 21 March. The program is called AVA PetPep (Pets and People Education Program) and is an initiative of the Australian Veterinary Association. It teaches primary school students about the responsibilities associated with owning pets and safe behaviour around animals.

There is no cost for this incursion. For your child to attend please return the permission slip by Thursday 16 March 2017. Please be aware that there is interaction with animals (a dog).

Thank you very much. We are really looking forward to this exciting morning of activities.

I give permission for my child _____ of Prep _____
to participate in the Pet Program

I acknowledge that the Department of Education and Training does not have personal accident insurance cover for students. *(In these times of litigation, we are required to add this statement to every activity we conduct at school. We will, of course, continue to take great care of your children and manage all foreseeable risks).*
